## AS A SCHOOL...

Double-block 9th Grade Coordinate Algebra. Blended learning instruction in all math classes. Intervention classes for math that utilizes flexible grouping and Individualized instruction; SPED-certified staff providing Intervention support.

We will provide Intervention classes for reading that utilizes flexible grouping and Individualized instruction.

Double-block in 9th Grade ELA. The required double block ELA class provides double the time (100 minutes) for students to focus on the 9th grade ELA standards focusing on listening, speaking and writing. This course is mandatory for graduation for all scholars.

## AS A PARENT...

I will utilize resources recommended by the school to give my scholar extra support with math at home.

I will promote positive use of extracurricular time such as participating in academic clubs, extra tutorial, educational trips and reading more at home.

I will regularly review my scholar's binders and assignments and encourage my scholar to rework challenging assignments, quizzes and tests to support learning at home.

## AS A STUDENT...

I will dedicate 1/2 hour of ACT Math practice each night in addition to the timely completion of all homework and project assignments.

I will read one non-assigned book a week to improve my reading speed and comprehension.

I will be a cooperative learner and I will utilize tutorials, in-school and after-school intervention programs as required.
