Dear Parent(s)/Guardian(s):

Under the latest reauthorization of The Elementary and Secondary Education Act, Every Student Succeeds Act (ESSA), requires that all schools receiving Title I funds must inform parents of their right to ask schools about the qualifications of their child's teachers and qualifications of any paraprofessional serving their child.

Your child attends a school that receives Federal Title I funds. You have the right to request the following information, which will be provided to you in a timely manner, if you request it:

- Whether the teacher has met Georgia 's qualification and licensing criteria for the grade level(s) and subject matter he or she teaches,
- Whether Georgia has decided that the teacher can teach in a classroom without being licensed or qualified under state regulations because of special circumstances,
- The teacher's college major; whether the teacher has any advanced degrees and, if so, the subject of the degrees; and
- Whether any paraprofessional educators provide services to your child and, if they do, their qualifications.

If you would like to receive any of the above-mentioned information, please make the request in writing to Sr. Director of Operations Keosha Moon at [krmoon@kippatl.org](mailto:krmoon@kippatl.org). Our teachers are committed to helping your child develop the academic knowledge and critical thinking he/she needs to succeed in school and beyond. I encourage you to support your child's education and communicate with his or her teacher on a regular basis. By partnering, families and educators can provide your child with the best education possible.

Sincerely,
