To: Families and Staff of KIPP Atlanta Schools
From: Brian Franklin, Director of Facilities
Date: 2024-2025 School Year
SUBJECT: NOTIFICATION REQUIREMENTS BASED ON AHERA REGULATIONS

THIS NOTIFICATION LETTER is sent to you pursuant to the requirements of the Asbestos Hazard Emergency Response Act (AHERA) of 1986, as defined in the Environmental Protection Agency Regulations, 40 CFR Part 463, to notify you that a comprehensive, detailed Asbestos Survey (inspection) has been completed of APS schools and auxiliary buildings/facilities, and that a management plan has been developed for managing asbestos-containing material (ACM) (if any) found in a school or facility based on the sampled materials compiled during onsite inspections. This was executed in conjunction with an approved laboratory's microscopy test results on suspect materials which consultants obtained during this inspection work. Certified personnel from the consultant's firm acted on behalf of Atlanta Public Schools for both the inspection and the management plan work.

KIPP Atlanta Schools maintains a copy of each school's management plan in each school office and/or auxiliary building/facility. A duplicate copy of all management plans is also located at KIPP Atlanta Schools' regional office at 1050 White Street SW, Suite C, Atlanta, GA 30310 and Atlanta Public Schools facilities offices at 1631 La France Street NE, Atlanta, GA 30307. KIPP Atlanta Schools may be reached by phone at 404-924-6310 and Atlanta Public Schools at phone 404-802-3700.

Management plans are available for review and information at the above location. Please feel free to review the management plans which cover numerous items including but not limited to results of the inspection/assessment work, materials present response actions, scheduled post response action activities, periodic surveillance program, re-inspection activities planned, etc. Should you have any questions or desire further information, please address those questions to the Local Education Agency (LEA) designee, Brian Franklin, the director of facilities, at 470-740-7601 or bfranklin2@kippatl.org.
