- e. **Distribution of Funds and Assets.** In the event the Charter Cluster ceases operation for any reason, the Charter Cluster and its Governing Board will be responsible for concluding the business and affairs of the Charter Cluster and will cooperate with the Local Board and State Board to the extent necessary to provide an orderly return of the students to their local school. Any public surplus remaining at the time the Charter Cluster ceases operation shall be remitted to the Local Board or State Board, whichever is appropriate, within 30 days of ceasing operations. Any furniture and equipment purchased with public funds shall be delivered to the Local Board or State Board, whichever is appropriate, within 30 days of ceasing operations. Neither the Local Board nor the State Board shall be responsible for the Charter Cluster's unpaid debts in the event the Charter Cluster does not have sufficient funds to pay all of its debts at the time it ceases operation. The date by which public surplus funds, furniture, and equipment shall be remitted to the Local Board or State Board under this Section may be extended for a reasonable period of time as determined by the Local Board or State Board; provided that, within thirty (30) days of the Charter School ceasing operation, the Governing Board makes a written request for an extension of time that describes the basis for the request.

24. **Pre-Opening Suspension.** In the event the Charter Cluster fails to comply with any material provision set forth in this Charter that requires compliance prior to the opening of any new site and/or facility for a Cluster Charter School, the opening may be suspended until a time after all requirements have been fulfilled by the Charter Cluster as determined by the Local Board and Department. Suspension will prohibit the extension of the Charter term set forth above in Section 2.

25. **Renewal, Non-Renewal, and Probationary Term.**

- a. **Renewal.** The Charter may be renewed by agreement of the parties following the procedures set forth in the Charter Schools Act and accompanying State Board Rule.
- b. **Non-Renewal.** Any grounds for termination stated in Section 24(a) above also may be grounds for non-renewal. In addition, the State Board or Local Board may elect not to renew the Charter if the petition for renewal does not comply with the Charter Schools Act and the rules, regulations, policies, and procedures promulgated in accordance with the Charter Schools Act or if the State Board or Local Board deems that the Charter

CHARTER FOR KIPP METRO ATLANTA SCHOOLS CLUSTER

Cluster has not sufficiently increased student achievement or is no longer in the public interest.

- c. **Probationary Term.** In the event the Charter Cluster fails to comply with any provision of this Charter, the Local Board may elect to grant a renewal for a probationary term, pending approval by the State Board of Education, within which the Charter Cluster must come into compliance satisfactory to the State Board and Local Board.
26. **Temporary Extension.** At the discretion of the Local Board and State Board, the Charter may be extended for a grace period not exceeding sixty (60) days. A temporary extension must be in writing and mutually agreed upon by the parties to this Charter.
27. **Amendments to the Charter.** Any term of this Charter may be amended in writing upon the approval of the Local Board, the State Board, and a majority of the Governing Board of the Charter Cluster. Any proposed amendment shall be made in accordance with State Board Rule 160-4-9-.06 *et seq.*
28. **Mandatory Training.** The State Board reserves the right to require the Charter Cluster to attend any training related to the responsibilities of a Charter School.
29. **Indemnification.**
- a. The Petitioner and the Charter Cluster agree to indemnify, defend, and hold harmless the Local Board, the School District, the Department, and the State Board, their officials, officers, employees, agents, volunteers, and assigns (all of whom hereinafter may collectively be referred to as "Indemnitees"), from any and all claims, demands, suits, actions, legal or administrative proceedings, losses, liabilities, costs, interest, and damages of every kind and description, including any attorneys' fees and/or litigation and investigative expenses, for bodily injury, personal injury, (including, but not limited to, the Charter Cluster's employees), patent, copyright, or infringement on any intellectual property rights, or loss or destruction of property (including loss of use, damage or destruction of Indemnatee owned property) to the extent that any such claim or suit was caused by, arose out of, or contributed to, in whole or in part, by reason of any act, omission, professional error, fault, mistake, or negligence whether active, passive or imputed, of the Charter Cluster or Petitioner, their employees,

CHARTER FOR KIPP METRO ATLANTA SCHOOLS CLUSTER

agents, representatives, or subcontractors, their employees, agents, or representatives in connection with or incidental to their performance of this Charter regardless of whether such liability, claim, damage, loss, cost or expense is caused in part by an Indemnatee.

- b. The Charter Cluster and Petitioner shall be excused from their indemnification obligations above: (a) If the claims, demands, suits, actions, proceedings, losses, liabilities arise solely and exclusively out of the negligence of the Indemnatee seeking indemnification; or (b) If the Indemnatee fails to (i) provide written notice of the third party claim or suit within a reasonable time, (ii) cooperate with reasonable requests of the Charter Cluster or Petitioner related to the indemnification; or (iii) assist the Charter Cluster or Petitioner with the defense of such claim or suit.
 - c. The Charter Cluster and Petitioner's obligations to indemnify any Indemnatee shall survive the completion, expiration, or termination of this Agreement for any reason.
30. **Non-Agency.** The parties expressly acknowledge and agree that the Charter Cluster is not acting as the agent of the Local Board, the State Board, or the Department, except as required by law or this Charter. The Charter Cluster acknowledges that it is without authority to, and will not, extend the faith and credit of the Local Board, the State Board, or the Department to any third party.
31. **Delegation.** The parties acknowledge and agree that the functions and powers of each party may be exercised only by each party and may not be delegated to a third party without written agreement by the parties.
32. **Application of Amended Law.** This Charter is subject to applicable federal and state laws, rules, regulations, and state accountability requirements. Any amendments to laws, rules, regulations, or state accountability requirements cited herein will result in the correlative and immediate modification of this Agreement without the necessity for executing a written amendment.
33. **Headings.** Section headings are for convenient reference only and are not part of the Charter or in any way to enlarge or limit any Section's contents.

36. **Contradicting or Conflicting Provisions.** If any provision of the Charter is determined to contradict or conflict with any other provision of the Charter, the contradiction or conflict shall be resolved in favor of the broad flexibility guaranteed pursuant to O.C.G.A. § 20-2-2065 *et seq.*
37. **Governing Law and Venue.** This Charter shall be governed by, subject to, and construed under the laws of the State of Georgia. Any action brought by one party to this Charter against another party shall be brought in the Superior Court of Fulton County.
38. **Multi-Year Contracts Beyond Charter Term.** The Charter Cluster shall not enter into a multi-year contract that extends beyond the length of the charter term for the acquisition of goods, materials, services or supplies unless such contract contains the following provisions:
- a. The contract shall terminate absolutely and without further obligation on the part of the Charter Cluster at the close of the fiscal year in which the charter term concludes and at the close of each succeeding charter term for which the contract may be renewed;
 - b. The contract may be renewed only by a positive action taken by the Charter Cluster; and
 - c. The contract shall state the total payment obligation of the Charter Cluster for the original contract term and each renewal shall state the total payment obligation that may be incurred in each subsequent charter term, if renewed.

This section shall not apply to multi-year contracts to lease or purchase facilities, vehicles, or capital equipment.

39. **Entire Agreement.** With the exception of Appendix C which is a two-party agreement between the Petitioner and the Local Board, this Charter sets forth the entire agreement

CHARTER FOR KIPP METRO ATLANTA SCHOOLS CLUSTER

between the Petitioner, the Local Board, and the State Board with respect to the subject matter of this Charter. All prior contracts, representations, statements, negotiations, understandings, and undertakings between the Petitioner, the Local Board, and the State Board are superseded by this Charter. The petition submitted to the Local Board and the State Board serves only as the formal application for the Charter School and does not constitute a contract or any type of agreement among the Local Board, the State Board, and the Petitioner.

Appendix A – Accountability and Consequences

ACCOUNTABILITY REQUIREMENTS

The Local Board and State Board shall hold the Charter Cluster accountable for the full performance of the performance framework standards listed below; provided, however, that for any Goals below that apply to individual Cluster Charter Schools, any Consequences shall apply to only those Cluster Charter Schools that fail to meet such goals. In the event that data are not available to make a determination regarding one of the goals below, the Department and the Local Board shall use the remaining goals to decide if the Charter Cluster has met its accountability requirements.

The Charter Cluster will receive a report on its performance on each of the standards below from the Georgia Department of Education as they become available. The report will include any interventions or consequences that need to be implemented by the Charter Cluster.

***Note:** Accountability for the last year of the charter contract term will occur during the first year of a renewal charter, if granted.*

I. **ACADEMIC PERFORMANCE STANDARDS**

Goal 1: During each year of its charter contract term the Cluster Charter School shall meet at least one of the following performance standards.

First Look – School Performance Gap Closure. The primary academic outcome Georgia seeks from its local charter schools is that they ***increase their College and Career Readiness Performance Index (CCRPI) score each year until they reach 100.*** The performance standards that measure CCRPI progress include growth in CCRPI itself and in its two major academic components, Content Mastery and Progress Score. The Department’s “First Look” at annual charter school performance is to see if the school has met the standard for any of the following three CCRPI gap-closing measures. Meeting any one of these standards constitutes having achieved Goal 1 for a given year.

- a. Increase its CCRPI score by at least 4% of the gap between 100 and the school’s previous year CCRPI score in each grade band served (elementary, middle, and/or high school);

OR

CHARTER FOR KIPP METRO ATLANTA SCHOOLS CLUSTER

- b. Increase its CCRPI Content Mastery score by at least 10% of the gap between 100 and its previous year CCRPI Content Mastery score in each grade band served (elementary, middle, and/or high school);

OR

- c. Increase its CCRPI Progress score by at least 10% of the gap between 100 and its previous year CCRPI Progress score in each grade band served (elementary, middle, and/or high school).

Second Look – School-District Comparisons. If a Cluster Charter School does not achieve at least one of the “First Look” School Performance Gap Closure standards, consideration will be given for achieving one of the “Second Look” School-District Comparison standards. The secondary academic outcome Georgia seeks from its local charter schools is that ***they do better than the district schools to which their students would otherwise be zoned.*** Performance standards include whether the school exceeds the CCRPI score (CCRPI, Content Mastery, or Progress) of their authorizing district or of the average of the three district schools to which a majority of the charter school’s students would otherwise be zoned (“majority comparison schools”).

- a. Exceed the CCRPI score of the authorizing school district or the district majority comparison schools;

OR

- b. Exceed the CCRPI Content Mastery scores of the authorizing district or the district majority comparison schools;

OR

- c. Exceed the CCRPI Progress scores of its authorizing school district or of the district majority comparison schools.

Goal 2: The Cluster Charter School shall maintain a cumulative “C” or 70 average CCRPI score or higher over the course of the charter term. During each year of its charter contract term, the school will perform at the level required to stay off the list of Targeted Support and Improvement (TSI) and Comprehensive Support and Improvement schools published annually by GaDOE.

II. SCHOOL CLIMATE PERFORMANCE STANDARDS

CHARTER FOR KIPP METRO ATLANTA SCHOOLS CLUSTER

AND

- c. Possess a Debt to Asset Ratio that is less than 95 percent;

AND

- d. Unrestricted Days Cash (Total Expenses/365) that is greater than 45 and the one-year trend is positive;

AND

- e. The Charter Cluster received and submitted to GaDOE by November 1 an annual independent audit with an opinion of the auditor as regards the accuracy of the Charter Cluster's accounting records, financial position, change in financial position, compliance with rules of various governing entities, including GAGAS (Generally Accepted Government Auditing Standards, i.e. the "Yellow Book") or, for those schools not yet converted to GAGAS, compliance with GAAP (Generally Accepted Accounting Principles) and that includes:

- An unmodified audit opinion;
- An audit devoid of significant findings and conditions, material weaknesses, or significant internal control weaknesses;
- An audit that does not include a going concern disclosure in the notes or an explanatory paragraph; and
- No other adverse statement indicating noncompliance with applicable laws, rules, regulations, and provisions of the charter contract relating to financial management and oversight.

CHARTER FOR KIPP METRO ATLANTA SCHOOLS CLUSTER

Goal 9 Each Cluster Charter School shall not do anything which results in GaDOE and the authorizing district(s) placing it on probation more than three times during its charter contract term.
