

**Asbestos Hazard Emergency Response Act (AHERA) Notice
2025-26 SY**

This is to give "Annual Notice" that KIPP Atlanta Schools has updated the AHERA asbestos management plan as required by the Environmental Protection Agency (EPA) of all public and private elementary and secondary schools in the United States, under Federal Law 40 CFR 763, Subpart E.

KIPP Atlanta Schools has met all AHERA requirements. A detailed Asbestos Survey (inspection) has been completed of all schools and auxiliary buildings/facilities, and that a management plan has been developed for managing asbestos-containing material (ACM) (if any) found in a school or facility based on the sampled materials compiled during onsite inspections. The management plan is available for your review in the main office of each school as well as KIPP Atlanta Schools' regional office at 1050 White Street, Suite C, Atlanta, GA 30310 and Atlanta Public Schools facilities offices at 1631 La France Street NE, Atlanta, GA 30307.

KIPP Atlanta Schools' AHERA designated contact person is Brian Franklin, the director of facilities, and his office is located at 1050 White Street, Suite C, Atlanta, GA 30310. He may be contacted at 470-740-7601 or bfranklin2@kippatl.org.
