IV. Consent Items:

A. September 16th, Draft meeting minutes

A motion was presented to approve the September 16, 2025 School Performance Committee Meeting Minutes.

The motion was made by Salim Bhatia (Chair) and seconded by Jim Bostic.

The motion was unanimously approved.

V. Discussion Highlights:

I. Winter CCRPI Projections & Accountability Updates

- A. A discussion was had regarding the Winter CCRPI projections across schools, including directional performance trends in ELA and math. The committee reviewed how new standards, platform shifts, and typical-growth assumptions impact projections.
- B. A discussion was had regarding progress against the 2023 baseline year for CSI/TSI exit and implications for each school's projected ability to meet cut scores and outperform prior-year content mastery.

II. Federal Designations (CSI/TSI/ATSI) & School-Level Status

- A. A discussion was had regarding projected CSI, TSI, and ATSI identification and exit conditions. Committee members discussed school-level strengths, areas of risk, and mid-year trends, with a focus on students with disabilities as a key subgroup influencing TSI/ATSI status.

III. Semester 2 Priorities & Academic Acceleration

- A. A discussion was had regarding the region's plan to prioritize Semester 2 instructional execution, targeted intervention, and data monitoring to support academic acceleration and mitigate risks to exiting CSI/TSI/ATSI designations.
- B. Committee members also discussed the importance of minimizing organizational distractions that may impact instructional momentum.

IV. Adjournment:

- A. The motion was made to adjourn the meeting by **Salim Bhatia**
- B. The motion was approved by **Jim Bostick** & seconded by **Rick Deane**.
- C. The meeting adjourned at 1:31 p.m.
- D. Respectfully submitted by **Arlita Lee**
